HOBOKEN CATHOLIC ACADEMY

555 7TH ST.

Pre-K 3 through 8th Grade.

We follow Jesus Christ in the Catholic tradition of worship, community and service to each other.

PASTOR'S MESSAGE

Our Lenten Mite Box Collection Totaled \$1,714.50

Over the years, we have collected thousands of dollars for the missions. This past Lent we collected \$1,714.50. We thank you for your generosity. We also thank the young adults, especially Maddie Schrock, for opening, counting and rolling the coins. It is tedious work but community building. For such sophisticated young adults, though, it is amazing how many do not know how to roll coins. Now they do.

We have donated the money to three groups with connections to OLG/St. Joseph. Sr. Arlene Flaherty, O.P., had lived in Jersey City for years and worshipped with us before she moved to New York State. She works in social justice and was a classmate of mine in the seminary. She has visited the Christian areas of Iraq twice in behalf of a U.S. Dominican delegation. As you may know from the news, ISIS took over these areas and wreaked death, havoc and destruction among the Christian people and places. Hundreds of thousands had to flee. Now with the U.S. support, they are returning to their ruined lands. Pages 6 & 7 of this bulletin includes the letter we received from the Sisters in Iraq detailing their exodus and return and the challenges they face. These Sisters are heroic.

The Religious Teachers Filippini taught me at Holy Rosary School in Jersey City. This Italian based group has its headquarters in Morristown and some of our young adults graduated from their prestigious Villa Walsh Academy on the grounds. Sr. Mary Beth Lloyd, M.P.F., their mission director, has come here several times to speak to our people. The young adults have made several retreats on their beautiful property and have visited their infirm Sisters. One of them, Sr. Concetta Notarianni, a Hoboken native, lived to be 100 and only died a few years ago. She taught me in 7th grade. They have missions in Eritrea, one of the poorest countries in the world and under Communist rule. Their electrical power is sparse so we have helped them buy solar panels for their residences and convents.

Finally, the Bernardine Franciscan Sisters in Reading, Pa., are renovating their infirmary for the aged and sick Sisters. One of them was very special to me: Sr. Mary Reginald Zajac, O.S.F. who died at 101 and ½ five years ago on September 1. She went to live with my mother, Grace, and served as her caregiver for seven years. Some parishioners remember Sr. Reginald who would worship with us and helped in the office and tutored some children for religion and taught English, as well. Many of the Sisters in the infirmary are in their 90's and several over 100.

Our pennies and nickels and dimes can go a long way in relieving suffering, improving the quality of life and support religious who have given their lives for the Church. In their behalf, thank you.

Peace,

Fr. Alex Santora

Sister Reginald Zajac, O.S.F.

TOM CRITELLI, OUR PARISH ACCOUNTANT

We are grateful to Tom Critelli for offering his accountant services to the parish pro bono. He has lived in Hoboken for three years and is an accountant in New York City. A graduate of Villanova University, he is marrying his fellow Wildcat Chelsea Scullin on October 14th at Our Lady of Grace. He is from Holmdel, NJ, and attended Christian Brothers Academy for High School. He enjoys country music, skiing, and scuba diving, which makes him a perfect fit for Hoboken.

OLG CLOSED CIRCUIT TV IN THE CHOIR ROOM

The OLG Choir Room is air-conditioned and is open to seniors who may feel overwhelmed by the heat during the summer and for parents with little children during Mass. Now you can sit there and still follow the Mass. Frank Vena, our electrician, has installed a closed-circuit tv so you can follow the Mass. It captures the entire sanctuary. Let us know what you think.

CCD REGISTRATION

CCD registration for the 2017-2018 school year is in progress. All parish children in grades Pre-K through 8 who attend private, public, or charter schools should be enrolled in CCD. Registration forms are available on the back tables in church, at the Parish Center, or on the parish website. Please try to return all forms by Sunday, August 27 so that we may make proper arrangements as to teacher assignments and supplies. As a reminder, children must attend Mass and complete two years of instruction prior to receiving the sacrament of First Penance, First Communion and Confirmation but all parish children should be enrolled in the program for the benefit of knowing our Lord Jesus and their Catholic Faith and tradition. Our CCD program is an opportunity for all children and their families to grow not only in their knowledge of our Catholic Faith but in discipleship. A disciple is one who comes to encounter Christ not merely to know about him. CCD instruction will resume on Sunday, September 10 with a special family gathering in the School Hall following the 10:30am Mass. When registering, you must provide a copy of the baptism certificate for each student if not already provided and a registration fee of \$40 per child, \$70 for two children, and \$100 for three children. All families enrolled in the program must be formally registered in the parish. Angela, our Pastoral Associate, will be available after all Masses each weekend for those who wish to register in person or if you have questions about the program she can be reached during the week at 201-659-0369, ext. 413, or via email at: olgrace@optonline.net. If not in at the time of your call, please leave a message.

the community of faith). If you are interested in the

MENSAJE SEMANAL

La historia de la mujer cananea toca varios temas importantes. Se trata aquí de cruzar límites territoriales y culturales. La mujer es llamada “cananea”, un nombre que no se empleaba tanto en aquel tiempo, pero que recuerda a los pueblos que ocupaban la tierra antes del control israelita. Los cananeos representaban historicamente a uno de los principales enemigos de Israel. Para mayor complicación, la residencia de la mujer en territorio pagano la hacía impura y además era miembro de un pueblo odiado. El que Jesús hablara con ella ponía en serio peligro la reputación de Jesús; por tanto, hay aquí muchos elementos culturales y políticos que se unen a asuntos teológicos: la misión Cristiana a los gentiles y un tema de fe. ¿Que podría pasar si los paganos trataran de reclamar los mismos beneficios como si hubieran sido parte de la alianza durante toda la historia de la salvación? ¿Se puede permitir a los paganos que esquiven la ley y vayan directamente a Cristo? Las aparentes objeciones de Jesús a realizar el milagro reflejan en realidad las objeciones de la comunidad Cristiana del tiempo de Mateo, que no acabada de digerir la presencia de creyentes convertidos del paganism. Es como si Jesús pusiera objeciones para luego negarlas con el milagro.

“Take courage, all you people of the land; work, for I am with you, says the LORD of hosts,”

(Hag 2:4)

August 6th, 2017

Feast of Transfiguration

Dear brothers, sisters and friends,

It has been three years since we were displaced and you have been accompanying us through your prayers to endure the days of turmoil. During these years, we cried, screamed, wondered, questioned God and our faith and also laughed and found moments of hope, love and gratefulness to our Lord, the church and all individuals who supported us in so many different ways. On August 6th 2014, we entered a tunnel that we did not know when we would get out of it. In fact, some days we thought we would never see the light. Three years ago we left our homes at night to the unknown. We started a journey of displacement, exile and questioning. But, to speak the truth, despite everything, we always dreamed of going back and finding our houses safe and sound, just as we left them. We strongly wished that we would return and kindle our candles for prayers, harvest our grapes, and read our books. We hoped even when we knew that it was our neighbors who betrayed us and did us harm even before ISIS did.

That was the case until the fall of 2016, when Iraqi forces started the military operations to liberate the Plain of Nineveh. God showered us with His graces as our towns were liberated one after the other; ISIS was defeated and the Plain of Nineveh seems to have been liberated.

When we first visited our Christian towns, we were so much stunned by the damage we saw. It was badly painful to see all that overwhelming destruction. We immediately realized that it was not the military forces or smart weapons that caused all that damage, but hate. Hate leaves both oppressed and oppressor deeply winded. Only God knows how much love we need to heal these deep wounds.

Walking sluggishly in our Christian towns we wondered remembering the word of God to prophet Ezekiel, “Son of man, can these bones live?” and we found ourselves answering him “Sovereign LORD, you alone know,” (Ezekiel 37:3). Inspired by the stories and experiences of Biblical characters, we believe that God is able to raise us again in a new way.

Today we see the marvelous work of God. There are some signs of hope. The rebuilding process although slow, but it has started and some families have returned to their homes. In Batnaia, a town that was 90% destroyed, a process of cleaning has started. To Telskuf and Qaraqush, Christian towns, some families have returned and there are families returning every week. There are over 600 families today in Telskuf and 450 in Qaraqush. Telskuf was much less destroyed than Qaraqush.

Although in Qaraqush the amount of destruction is estimated to be 30%, rebuilding is not easy and the NGOs that have afforded to help with rebuilding are not enough compared to the destruction. There are 7000 homes in Qaraqush and 2400 of them are completely burned and another 4400 are partly burned and destroyed, there are 116 house completely destroyed. The hope is to repair as many houses as possible before the beginning of the school year in September, but of course there is a problem with the funding. So far only the church and some NGOs are doing the rebuilding.

Our sisters are back to Telskuf and we hope to find a place by the beginning of the year and will start a kindergarten. Soon also we will return to Qaraqush. Since our convent in Qaraqush is partially destroyed, we repaired a family home for us to live in it until we move back to our convent. Also, the orphanage was totally burned but we found a place for the sisters and girls to move too in Qaraqush.

As you probably already have heard, Mosul has been liberated, but the amount of destruction is overwhelming in every field. It will take years to be fixed, but there is nothing impossible with God. Of course, it is not easy to decide whether to go back to Mosul or not. Some people still try to understand what the will of God is -if ISIS is defeated that does not mean that the Plain of Nineveh is entirely cleansed from that mentality. However, we as community decided to return with our people; and pray and hope all people will have the courage to go back to their hometowns and be able to start from the beginning again. God is with us and will not leave us.

We thank you for all the support you have shown us. Please pray for us as we start this new phase of our lives.

Know of our gratitude and prayers for you.
