A silhouette of a nativity scene set within a stable. On the left, a shepherd kneels holding a long staff. In the center, the infant Jesus lies in a manger. On the right, the Virgin Mary kneels with her hands clasped in prayer. The background features a bright starburst at the top and rays of light emanating from behind the stable structure.

The Church of Our Lady of Grace and St. Joseph wishes you and your family a Merry Christmas and Happy New Year. Alleluia Jesus Christ is born!
